

COLLEGE RECRUITMENT AND INTERNSHIP PROGRAM

College Recruitment and Internship Program

Synergy Global Resources college recruitment and internship program is designed to be a basic program upon which to build stronger collegiate relationships and a solid pipeline of young educated talent. Programs are designed to attract high caliber candidates who can bring a diverse and innovative perspective to the company, and provide them an exposure to the business world. Programs include program design, college relationship strategies, interview management, interview guides and evaluation, offer strategies, and coordination.
