

## **BENEFITS CONSULTING (TOTAL REWARDS)**

### **Benefits Consulting (Total Rewards)**

Synergy Global Resources uses a total rewards approach to helping our clients define their compensation and benefits program. Total rewards include everything the employee perceives to be of value resulting from the employment relationship. Synergy Global Resources works closely with several extremely qualified human resources outsourcing providers. Because we helped define client's business strategy, we are often in a unique position to help the client transition its human resources compensation and benefits function to an outside provider in a timely, efficient, and effective manner. We become your point person to the vendors and work on your RFPs. The human resource outsourcing providers that we associate with can provide all of the following services for your organization:
